The floor plan of the 14th floor is divided into three main sections based on room numbers and color-coding:

- Left Section (Green):** Rooms 14001 through 14029. This section includes a large staircase and elevator area on the left side.
- Center Section (Pink):** Rooms 14030 through 14044. This section is located in the middle of the floor and includes a central corridor with multiple elevators and stairs.
- Right Section (Grey):** Rooms 14045 through 14056. This section is located on the right side of the floor and includes a large open area at the bottom right.

Key features of the floor plan include:

- Elevators:** Multiple elevators are located throughout the floor, including a large central elevator area and smaller elevators near the corners.
- Stairs:** Several staircases are distributed across the floor, providing vertical circulation between levels.
- Room Layout:** Rooms are arranged in a grid-like pattern, with some larger rooms and corridors interspersed among the smaller numbered rooms.
- Color-Coding:** The rooms are color-coded to distinguish between different groups: green for 14001-14029, pink for 14030-14044, and grey for 14045-14056.

The floor plan of the 15th floor of the Ritz-Carlton, Dubai, is a detailed architectural drawing. It shows a central corridor with elevators and stairs. Key areas include the Tropical Pool, Tropical Bar, Atmosphere Bar North, Atmosphere Bar South, Atmosphere Ice Cream Bar, and Marketplace Bar. The plan also shows the location of the 15th floor relative to the 14th and 16th floors.
