

Please Ensure You Read This Information Before Completing This Form

You **MUST** apply for cover and cover must be approved by us in writing prior to the issue of a Certificate of Insurance if:

- You have a High Risk Existing Medical Condition; or
- you require cover for any other existing medical condition other than those automatically covered; or
- you are 70 years of age or over; or
- you have answered yes to the question in the application regarding undergoing or having undergone or been referred for any tests or investigations into any undiagnosed or suspected medical condition.

We **WILL NOT PAY** any claim if you are aged 70 years of over at the time the Certificate of Insurance is to be issued or a claim arising as a result of, or exacerbated by, or consequential upon your existing medical condition **UNLESS** you have applied for cover, we have agreed to cover you and you have paid any additional amount payable we ask for. The amount payable may include administrative costs and any risk based surcharges applicable to your application.

An existing medical condition is:

- any chronic or ongoing (whether chronic or otherwise) medical or dental condition, illness or disease of which you were aware or should reasonably have been aware, or which is medically documented or under investigation in the 12 months prior to the issue of the Certificate of Insurance; or
- any physical, mental illness or medical condition (including pregnancy), defect, illness or disease of which you were aware or should reasonably have been aware, or for which treatment, medication, preventative medication, advice, preventative advice or investigation have been received or prescribed by a medical or dental adviser in the 60 days prior to the issue of the Certificate of Insurance and in the case of the Annual Multi Trip Travel Plan also within 30 days of booking a particular trip.

Note:

- Where any condition, illness or disease is the subject of an investigation, that condition, illness or disease falls within this definition, regardless of whether or not a diagnosis of the condition, illness or disease has been made.
- This definition applies regardless of whether or not the condition, illness or disease displays symptoms.
- This definition applies to you, your travelling party, your relatives, your business colleague, or any other person whose state of health could affect your travel plans.
